# SOLID CARBIDE THREAD MILLING CUTTERS

**GF**

**Solid Carbide Milling Cutter**

**Universal tool for the cost-effective production of internal screw threads.**

**GFS**

**Solid Carbide Milling Cutter With Chamfering Capability**

**Universal tool for producing internal screw threads. Increased productivity resulting from combined thread milling and chamfering in a single machining**

**GFM**

**Solid Carbide Wide Range Thread Milling Cutter**

**Universal tool for producing a wide range of thread diameters with identical pitch.**

**GFE**

**Solid Carbide Thread Milling Cutter With Single Ring of Teeth**

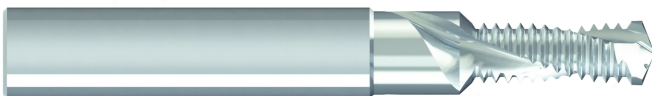

**Universal tool for producing internal threads ranging from M1 to M3.5.**

**GFT Shark**

**Solid Carbide Thread Milling Cutter With Three Rings of Teeth**

**Universally applicable high-performance tool for the production of internal threads from M1.2 to M20, UNC No.1 to UNC 1/4" and UNF No.2 to UNF 1/4".**

**BGF**

**Solid Carbide Drill Thread Milling Cutter**

**Combines drilling with thread milling and chamfering in the production of internal threads.**

**BGFS**

**Solid Carbide Circular Drill Thread Milling Cutter**

**Tool for the combined production of bore and thread in a single operation. Universally applicable in steels, hardened materials and non-ferrous metals.**

**SPECIALS AVAILABLE UPON REQUEST**

## High Performance Thread Milling Cutters

**GE** SHARK

**GEM** SHARK

**GET** SHARK

- **Universally Applicable**  
(Steels, Cast Iron, Non-Ferrous Metals,  
Nickel Alloys)
- **Low Vibration**

- **Variable Spiral Pitch**
- **Left Hand Spiral Flutes**
- **Right Hand Cutting**
- **Long Tool Life**

**For 175 years, JBO has been the market leader of high precision thread cutting tools in Europe. They carry a comprehensive stock of 22,000 of the most common thread dimensions and tolerances of thread cutting dies, thread gauges and thread milling tools.**

**Steiner Technologies is the exclusive importer and reseller of JBO products in North America. Steiner carries large amounts of inventory to supply the North American market and receives weekly shipments from Germany.**

**Steiner is a family owned company and has been in business for over 50 years.**
